ANNUAL GENERAL MEETINGS 15 - 17 MAY 2018

A Message from the 2018 RUSU President

2017. What a year! RUSU is so proud of the progress we have made throughout the year and the continued hard work of our student representatives, team of staff and our RUSU volunteers.

For RUSU, this was the year of the 'launch celebrations'. We:

- opened new Compass (Welfare) Drop In Centres (and food banks) at City and Brunswick campuses,
- designed and delivered new Queer and Women's rooms in the City,
- opened a new purpose-built Realfoods Café, Student Activity Space and RUSU Central information counter in New Academic Street (City), and
- released the new RUSU website.

Our existing programs have gone from strength to strength and there have been many creative new initiatives and events such as; RUSH Week, Winter Wonderland Event, Brunswick Networking Gala, Compass Market Places, Welfare on Wheels, Point Cook program and Postgraduate Sit and Write sessions.

RUSU has been an active voice for students at RMIT, through our student representatives, our advocacy staff and through the leadership training and support provided to the many Staff Student Consultative Committee (SSCC) student representatives at RMIT. Behind the scenes we worked with RMIT on our RUSU Top 20 Priorities including; campaigning for a more mental health friendly campus, Equitable Learning Services (ELS) and accessibility improvements, more transparent complaints handling processes and improved campus facilities. RUSU was heavily involved in the Respect Now Always campaign and in advocating for action on sexual assault and harassment on campus.

Our free food and entertainment continues to be loved by students. We've served around 60,000 free lunches and 65,000 serves of free breakfasts and provided 9,000 serves of snacks in RMIT libraries through the Welfare on Wheels Trolley and Exam Support Stalls.

RUSU clubs created a sense of belonging and contributed to the student experience at RMIT. RUSU supported them with \$154,000 in club grants.

RUSU volunteers contributed over 4,500 hours to RUSU events and services last year. A big thank you goes out to the 27 elected student representatives and our RUSU volunteers.

Quarterly reports are available online for more detailed information on the past and current activities of your Student Union at http://www.rusu.rmit.edu.au/quarterlyreports.

RUSU Financial Update

Your student fees at work @ RUSU

RMIT University charges students an annual Student Services and Amenities Fee (SSAF). This fee is collected by RMIT University to fund student services and amenities of a non-academic nature. Funding is distributed between a range of service areas and providers at the University, including RUSU.

In 2017 RUSU received a total of \$3,586,850 in SSAF fees through RMIT. \$881,500 of this funding was in special SSAF Committee grants to provide a wide range of services and events run by students, for students (e.g. free breakfasts, campus events, English language workshops, RMITV programs and training, orientation events and specialist support for vocational education and postgraduate students.) All of these funds were spent on the 19 areas permitted by the SSAF legislation (Allowable Items).
