**LAUREN MENHENNITT**  
**VICE PRESIDENT**

As a member of Christian Union, not only have I gained a meaningful sense of purpose, I have gotten to learn more about God and how he freely expresses his mercy and love to people through his son Jesus. Christian Union is a great place to develop strong connections with people while learning how to serve God in response to his love. The CU community is an environment of growth that encourages growth and open discussions and is a true highlight of uni life for me. (RMIT Christian Union).
